Council candidates discuss the issues

By TOM KISKEN

PAHOKEE—The marina lease, the city manager type of government and other pending issues were discussed by candidates for the Pahokee City Council at a Lion's Club forum, Tuesday, April 17.

Group One candidates Ronnie Graydon, Ed Lee and Glenn Carrick, along with Group Two candidates Ada Conley and Bill Johnson presented their views at the forum. Group Three hopefuls Jon Mock, incumbent, and Curtis Miners, did not attend the forum.

Carrick, 56, 198 S. Lake Ave. and a council candidate for the second consecutive year, told the Lions that he had the time to really work toward the best interests of the city. Carrick, owner of Carrick's Muffler, added that if elected, he would work closely with city department heads.

Pahokee can not afford a city manager, Carrick said. "The current mayor-council type of govern-

ment can work," he stated.

Saying he was opposed to the leasing of the city marina, Carrick said those involved with the lease should make sure they "don't infringe on the rights of the citizens."

Ed Lee, 51, 2597 Bacom Point Road, said, "I haven't had any experience in a small town like this, but I'm very interested in Pahokee."

A Pahokee resident for three years, Lee told the Lions that he comes from Maryland where he was educational director for a multi-million dollar credit union. Lee has a bachelors degree in marketing and management from the University of Maryland.

"I think I'd like the opportunity very much to meet the people and help them," Lee said.

While he wanted more information on the lake front issue, Lee said he was opposed to the lease for now. "I have some questions," he said.

Lee agreed with Carrick that the city does not need and can not afford a city manager. He also noted that he is opposed to selling liquor on Sundays.

Graydon, council incumbent seeking his second term, cited the council's record over the last two years in asking the support of the Lions' Council accomplishments, according to Graydon, include: hiring an additional police officer and fireman; expanding the police department's canine unit; purchasing a computer system for city hall; and planning a kitchen for the park. He noted all these and other achievements were accomplished without a millage hike.

Graydon, 43, 140 N. Flame Ave., said the city is facing problems with the sewage system, adding that he would like to be in a position to help correct these concerns.

A city manager could be an asset to Pahokee, Graydon said, adding that he did not agree with

the wording on the manager referendum to be put to the vote, May 8. He said a city manager should be made administrative head of the city, rather than splitting duties.

Bill Johnson, 41, 165 Greenstar Ave., made a brief presentation before the Lions. He said he opposed the marina lease and the addition of a city manager.

Noting that he owns a bar outside the city limits, Johnson declined to say whether he favors selling alcohol within the city on Sundays.

Incumbent council president Ada Conley, 49, 388 Kinnit Ave., said, "I just wish to serve the people of the city."

Conley urged all city residents people to vote in the May 8 election. "I'd rather have a big turnout, than be re-elected," she said.

Elected to the council two years ago, Conley is an accountant with Leon Dobrow and Company Inc.

Murder suspect arrested

By TOM KISKEN

PAHOKEE—A murder suspect was arrested after police found a car dripping blood, behind the Consolidated Chemical Company in Pahokee.

JAMES MCINTOSH, arrested as a murder suspect, made a first appearance before County Judge Don Adams, Friday, April 13.

Glades Substation Palm Beach County Sheriff's officials arrested James McIntosh, 33, on Thursday as a suspect in the murder of Robert Alan Pate, 42, of Miami. McIntosh is believed to be a Dade County resident.

Pahokee Police Department and Glades Substation personnel found Pate's body about a half mile from the chemical company off the extension of Boone Avenue, on Thursday morning, April 12. The preceding day, a car dripping blood was discovered behind the chemical building by company employees.

Glades Substation Detective Bud Backherms would not disclose a motive for the killing, but said a witness told Pahokee police that McIntosh said he killed a man and needed money to get out of town.

Other witnesses at the chemical company, Wednesday said they saw McIntosh walking near the scene where the car was found, Backherms added.

Glades Substation Lt. Charles Lowell said there were other elements which could not be disclosed at the present time. "We believe we have a good case," he said.

According to Backherms, Pate had left Miami Wednesday morning on his way to Lakeland. McIntosh was picked up Thursday at Padgett Island in Pahokee. Backherms said he had made no statement.

Detective Rick Radford is the investigating officer in the case. Lowell noted several Sheriff's deputies and Pahokee police officers played an integral role in the case.

Tot receives community help

PAHOKEE—The over \$2,000 raised by local residents has enabled the family of a little girl, recovering from a near drowning, to purchase needed medical equipment and travel back to their Louisiana home.

Marguerite Douglas, coordinator of the fund raiser, reported 4-year-old Brandy Destin and her family left Pahokee, Wednesday, April 11, after purchasing two life preserving lung machines.

Brandy fell off a house boat in the Rim Canal in February and had been under water for an estimated 40 minutes when rescued by Glades

Substation Palm Beach County Sheriff's Department deputies.

Local residents donated over \$2,000 in one week to the Destin family, Douglas reported. The community's quick and decisive response was not at all surprising, said Douglas who began the fund raiser after reading in a newspaper about the family's financial problems.

"That's the type of people we have here in Pahokee," she said. "It's a caring town."

Jim Bennett served as treasurer of the fund raising drive.

Area Easter services slated

BELLE GLADE—Community services will be offered on Good Friday and Easter.

The Belle Glade Kiwanis Club will sponsor the Fifth Annual Community Prayer Breakfast, Friday, April 20, from 6:45-8 a.m. at Belle Glade Civic Center. \$3 donations will be requested.

Charlie Hainline, an elder in the Coral Ridge Presbyterian Church, will speak at the breakfast. Hainline who ministers throughout Broward County will be working toward his 1984 goal of winning 1,650 people toward Christ.

Belle Glade Mayor Thomas Altman earlier signed a proclamation urging citizens to attend the prayer breakfast.

Local ministers will conduct Good Friday services, Friday, April 20, in the chapel of the Community United Methodist Church. Christ's seven last words from the cross will be the theme

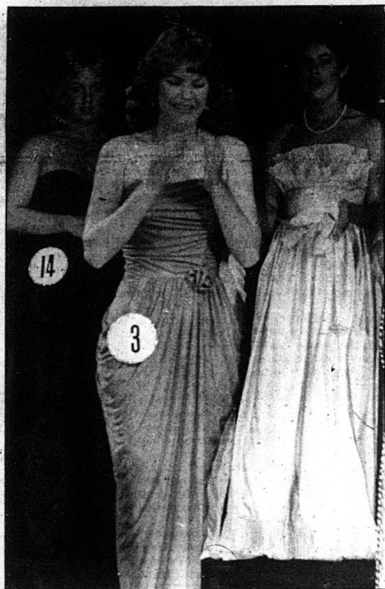

presented by participating ministers.

An Easter sunrise service sponsored by the Belle Glade Ministerial Association will be held at the Belle Glade Marina pavilion, beginning 6 a.m., Sunday, April 21.

"Stolen Away or Risen?" will be the subject of the sermon delivered by Dr. David T. Evans, pastor of the Everglades Presbyterian Church. Music will be led by Truman Hartzog, from the First Baptist Church in Belle Glade.

The Rev. Paul Murray, First Baptist Church of South Bay, the Rev. Charles B. Farrar, St. John's Episcopal Church, the Rev. Joseph Santa Bibiani, St. Philip Benini Catholic Church and the Rev. Clifford Davis, Wesleyan Community Holiness Church will also participate.

Evans said all local residents are invited to attend the service.

ALLISON SHIRLEY is named Harvest Queen Friday, April 13, at the Dolly Hand Cultural Arts Center.

2 die in accidents

Two people were killed in two days on Glades highways last week.

Joaquin Martinez, 363 W. Main St. No. 5, Pahokee, died Friday, April 13, after his car collided with a palm tree on SR 715 in Pahokee.

Another person, as of yet unidentified by the Florida Highway Patrol, was killed Thursday, April 12, after a traffic accident about 4 miles north of South Bay on US 27.

Trooper A.J. Mims reported, after Thursday's accident, that the driver was pronounced dead at Glades General Hospital. A passenger in the car was listed in critical condition at St. Mary's Hospital after being transported by helicopter from Glades General.

Efforts to locate relatives who can identify the driver's body are continuing. Trooper Carl Herold is the homicide investigator.

Warrant issued, man surrenders

BELLE GLADE—A Belle Glade man turned himself over to authorities, Thursday,

April 12, two days after police seized various drugs and firearms during a search of his apartment.

Eight charges dealing with either possession or possession and intent to sell narcotics, firearms, and lottery paraphernalia were filed against Larry Walker, 521 S.W. Ave. B Place.

Belle Glade Police Detective John Carney said police confiscated an undisclosed amount of marijuana and opium while executing a search warrant at Walker's Avenue B Place apartment, Tuesday. Police also discovered a handgun and a rifle.

In other police arrests: Donald Ray Turner, 18, of Belle Glade, was charged with disorderly conduct, armed robbery, aggravated battery and grand theft, Saturday, April 14, and placed under a \$10,000 bond.

Carney said Eugenio Diaz, Belle Glade, identified Turner as a man who on Tuesday, April 10 struck him over the head with a table leg, while stealing an AM-FM radio.

Jessica Eva Moore, of Belle Glade, was arrested and charged Saturday, April 14 with shooting into the Unisex Community barbershop, 115 S.W. Fifth St. No one was in-

jured in the incident. Carney said Moore confessed to shooting into the establishment with a .22 calibre revolver, recovered by police, at about 2:30 p.m. Saturday. Apparently, the shooting was the culmination of a domestic problem, he said.

Crime Watch to meet

SOUTH BAY—The South Bay Crime Watch group will hold its monthly meeting, Thursday, April 19, at 7:30 p.m., in City Hall. South Bay Police Chief Roy Humston is scheduled to give a presentation on narcotics at the meeting.

Little Mr. and Miss Black Gold selected Thursday at Center

By BRENDA BUNTING

BELLE GLADE — The Dolly Hand Cultural Arts Center was filled to capacity for the first annual Little Mr. and Miss Black Gold. Thursday, April 5.

Approximately 60 children competed in the two categories, tiny division, ages two and three, and little division, ages four through six.

The event was sponsored by the Belle Glade Junior Woman's Club. Contestants were judged on appearance and personality. Each child in the little division was asked a question.

The first place winner in the girls tiny division was Ashley Cunningham. First runner up was Alesha Elrod and second runner up was Barbie Cunningham.

Israel Baez, III was chosen king in the boy's tiny division and Matthew Alston took first runner up. Parker Altman placed second runner up.

In the girl's little division, Bobbie Jo Jones was crowned

queen. Leslie Woods was first runner up and Nicole Miller was second runner up.

Thomas Meeks was chosen king in the boy's little division and Brad Davis came in first runner up. Jason Cunningham was second runner up.

The kings and queens in both divisions will participate in the Black Gold Jubilee parade Saturday, April 14, according to Junior Woman's Club spokesman Cindy Baez.

They will also be presented on stage at the Harvest Queen contest at 8 p.m. Friday, April 13.

Baez said "We felt it (the contest) was very successful. There were a few mistakes, but I thought it was most successful."

She said the Junior Woman's Club will be making it an annual Black Gold event. "When we decided in February to do it," she said, "our goal was not to make money, but to participate in Black Gold."

She said that is why the club members decided not to charge

admission to the event. She also added that next year the contest would probably not include two year olds and there was a possibility the event might be broken up into two nights, one for the three to four year olds and one for the five and six year olds.

"We want to extend our thanks to the community for their support," Baez said. "We are looking forward to next year."

The judges for the contest were Barbara Jamison, Jull St. Pierre, Jerry Robinson and Wilbur Thompson.

Jamison is a resident of Lake Worth and the director of the "Miss Palm Beach County Pageant". She has also judged other pageants such as "Junior Miss Orange Bowl".

Pierre is the reigning "Miss Palm Beach County". She is also a runner up in the "Miss Michigan State" contest.

Robinson is employed by U.S. Sugar Corporation in Bryant. He had judged numerous other contests including "Stars

of Tomorrow", "Miss Starshine Twirl-A-Roma", "Miss Starshine" at the University of Central Florida and "Little Miss Melbourne".

Thompson is a detective in Lake Worth. He served as the director of the "Miss Palm Beach County Pageant" for 20 years and has judged many contests including the state "Miss America Pageant".

The mistress of ceremonies was a former Belle Glade resident, Pat Robinson. She is also a former "Miss Palm Beach County" and "Miss Lake Worth". She has directed the Palm Beach County "Stars of Tomorrow" pageant and several "Miss Majorette of Florida" contests.

Grant Averill of Averill's Studio, Belle Glade, took pictures at the contest, according to Baez. He will have prints available to show any parents of the participants who are interested in photographs, on Friday, April 13 at the studio.

THE WINNERS of the Little Mr and Miss Black Gold Jubilee are from left second runner up Jason Cunningham; first runner up Brad Davis; King Thomas Meeks; Queen Bobbi Jo Jones; first runner up, Leslie Woods; and second runner up Nicole Miller.

IN THE TINY DIVISION the winners from left are: First runner up Matthew Alston; Second runner up Parker Altman; King Israel Baez, III; Queen Ashley Cunningham; first runner up Alisa Elrod; and second runner up Barbie Cunningham.

FISHING TOURNAMENT WINNERS back row from left are: Tammy Whalen, Lou Entrialgo and Chris Bunting. Front row: Ashley Cunningham, Traci Moss and Stephanie Stein.

Kids angle for fish

BELLE GLADE — The weather was good and the fish were biting for the sixth annual Black Gold Jubilee Children's Fishing Tournament, Friday, April 6.

It was also the largest ever turnout, with 44 children participating. Trophies were given in three age groups: the one-year-old to four-year-old division, five to eight year olds and nine through 12 years.

This year, trophies were given only in the category of largest fish, with first and second place prizes awarded. In the previous years, trophies were awarded for largest, smallest and and largest

number of catch.

Coordinator Sonny Stein said he was pleased with the large turnout at the event. He said Kelly's Bait and Tackle Shop in Belle Glade donated all of the worms and crickets again this year for the contest.

In the little division, first place went to three-year-old Ashley Cunningham. Traci Moss, four, and

Stephanie Stein, three, tied for second place.

Tammy Whalen, eight, took first place in the middle division with the largest fish in the tournament. Her catch weighed in at one pound, six ounces. Six year old Lou Entrialgo took second place.

In the nine to 12 year old division, Chris Bunting, 12, took first place. Melissa Vickers, 9, took second.

BELLE GLADE—Police are investigating a bomb threat made at the Florida Power and Light building, Friday, April 13.

Belle Glade Police

Detective John Carney said a man called FPL, 40 S.W. Ave. B, at about 4:30 p.m. Friday and threatened to blow up the building. Police evacuated and searched the building, but found nothing unusual.

No arrests have been made, but a case is being prepared, Carney said. The man could be charged with a second degree felony for threatening to discharge a destructive device, he said.

The man said he was a Viet Nam veteran and had experience with bombs, Carney reported, adding that the man had complained about bills several times earlier to FPL.

Royal Homes grand opening set

BELLE GLADE—The growing popularity and affordability of manufactured housing has brought a new venture from one of South Florida's most respected firms.

Royal Homes will hold a grand opening celebration here this weekend to introduce the area's newest manufactured home sales and display center.

The new name reflects the parent company, Royal's Department Stores, a leading South Florida department store group founded in 1922.

"We feel the tradi-

tion of local service and the substantial confidence of our customers built through the some 54 years that Royal's has been a household name in south central Florida is a very important factor when our customers consider what is for many the single largest investment they may make," said Larry Parish, Director of Store Operations for Royal's.

"We want our customers to have the same confidence in our new Royal Homes ven-

ture as they have in the area a full time service department o-

provide after sales service to new home buyers.

"We believe this will give our company a decided advantage," said Mark Brandel, manager of the new Royal Homes sales and service center.

Two leading manufactured home makers, Skyline and Tidwell, are represented in a full line of the 14-foot single wide homes and in the conventional-home sized double wide which bring conventional construction size and features to manufactured housing at as much as half the cost of conventional housing.

The new display area located in one of Belle Glade's most desired and easily attainable retail areas features a

large inventory of manufactured homes ready for delivery.

Complete financing arrangements are available at the sales center with rapid credit approval with terms that are similar to conventional home financing plans.

During the grand opening celebration this week, special sales incentives including free central air conditioning with the purchase of any manufactured home are being offered. Free prizes also being offered during the three-day opening event.

Royal Homes is located at 916 S. Main St. in Belle Glade. During the grand opening celebration which begins Thursday, April 19, the sales office will be open from 9 a.m. to 7 p.m.

Expenditures viewed for water plant

BELLE GLADE—Belle Glade city commissioners will decide whether to spend about \$29,100 in a start-up and training program for the new water treatment and sewage treatment plants, in their regular meeting, Monday, April 23.

Commissioners indicated their conceptual support of the expenditure proposed by Briley, Wild & Associates, Inc. engineering firm, at a workshop meeting held Monday, April 16.

Mayor Thomas Altman said, "I definitely think it's something we have to do."

City Manager W.E. "Tom" Strang agreed, "I think it would be money well spent."

David Porter, of Briley, Wild and Associates, explained the proposal to commissioners at the workshop meeting and also led a tour of the new plant.

City employees, in the proposed program, would receive on-site training at both plants, Porter said. Also, the engineering firm would execute tests required for start up.

A plant operations specialist would be provided by the engineers for four weeks at the water plant and for one week at the sewage plant, Porter said. Other specialists would visit the plant weekly and be available, if problems occur.

Shriners offer to show burn film

BELLE GLADE—Local Shriners are showing a film about burn prevention throughout Belle Glade and Pahokee.

The film, "An Ounce of Prevention" has been shown to several schools and also to parents, police officers, firemen and hospital staff. The film deals with ways to prevent possible burn situations.

Any groups interested in seeing the film can contact Dr. Bob Allen at 998-3223.

or Bill Cowen at 224-7744.

Community banquet set

Rev. Robert Carlson

A Pinch of Salt

"I serve a risen Savior, He's in the world would have to rule that Jesus Christ came from the dead just as the New Testament recorded."

If you attend church Easter Sunday morning, you will no doubt sing those words. But do you believe them? Do you really believe that a man crucified on a Roman cross could come back to life? He did! And to believe that does not take a blind step of faith.

Once a law professor made some mocking remarks about the resurrection of Christ. When one of his students bluntly asked him if he had ever examined the evidence, he confessed that he had not.

That professor was Dr. Simon Greenleaf, the Royall Professor of Law at Harvard University. According to the Chief Justice of the U.S. Supreme Court, Greenleaf was the greatest authority on legal evidence that had ever lived. After carefully examining the historical, legal evidence for the resurrection of Christ, Dr. Simon Greenleaf

concluded that any unbiased court in the world would have to rule that Jesus Christ came from the dead just as the New Testament recorded.

If you still have doubts about the resurrection of Christ, go to a pastor and ask him to present the evidence, or visit a Bible book store where you will find several well documented books on the subject.

After you have examined the evidence and put your faith in the risen Lord Jesus Christ, you will then have a new kind of evidence. It is known as the witness of the Spirit. That simply means that God whispers in your ear that Jesus is indeed risen and is now living in your heart.

The following poem by an unknown author expresses a sure faith in Christ's resurrection, faith I wish for you.

How do I know that Christ is risen?
What proof have I to give?
I touched my life unblestened day
That morning long ago?
I met him just this morning
And my heart is still aglow.
How do I know that endless life
He gained for me that day?
His life within is proof enough
Of immortality.
How do I know that Christ still lives?
Rich blessings to impart?
He walks with me along the way
And lives within my heart.

You can write me at my farewell address

Ailsa Dewing

"And What Not"

For some reason, "on with new" is always broadcast and "off with the old" kind of slinks out unnoticed. Local newspapers, local banks and weddings come to mind.

Newspapers and banks like to announce new members on the staff, for instance. But they don't always say what happened to other fellow. Maybe he was stealing the paper towels from the restrooms or breaking into the snack-vending machine but there's never a news release about it.

Or one day you call up and ask to speak with Mr. Snorglesby in bookkeeping and you get a tight-lipped reply: "Mr. Snorglesby is no longer with us."

If you ask, "Who is he with now?" don't expect to be told, "He's with one of the girls who worked in the accounting department and the last we heard they were in Acapulco," much less read it in a news release.

Announcements of second weddings, likewise. They never tell who the new bride or groom replaced. This leaves the people who haven't been keeping up with things to wonder whatever became of whatser or whasisis name.

Because of the lack of unannouncements, people have to depend on rumors, which are frequently more interesting than truth, but that's another matter.

I might not be so interested in this subject if I weren't about vacate this space. And it could be two or three weeks before someone wonders why . . . And Whatnot? has been replaced by "Little Known Facts About the Animals of Asia Minor." Then they may wonder whatever happened to whatserface who always seemed to be trying to get through life with a bad penny in her fusebox.

I'm about to reveal the barefaced truth along with a rumor I would like to get circulated, so I'm starting it. "She eloped with Robert Redford and they've gone to Tulsa to live off the royalties from her oil wells."

The truth is that writing a newspaper column can become habit-forming and the only known cure is to quit cold turkey. There are no rehab centers. Your first warnings that you're addicted

are waking up on deadline day with the shakes and feeling depressed by an overdose of your own opinions.

What am I going to do? Well, I've had a proposition and a suggestion.

The proposition came from the IRS which suspects me of holding back a few million dollars out of my grocery money. They've offered to put me up (away, is more like it) for a few years for what they consider an irregularity in my 1981 tax return. Their offer is tempting; it would give me time to write without having to provide my own room and board, but I don't intend to accept it.

The suggestion came from a stranger I ran into in a parking lot. "Why don't you learn to drive?" he wanted to know. He also suggested I get a horse, but that's out of the question — my apartment's too small.

So, what am I going to do, really? Try some other kinds of writing, primarily. For example, I considered writing my memoirs. I've given that idea up, though. To be saleable, they'd have to be lurid. I can only fill two paragraphs of lurid because when I had the opportunity, 30 years and 70 pounds ago, I blew it. If I get another offer I may go for it, simply in the interest of research.

This is, however, the last column I'll be writing for now. As for my farewell address, that hasn't changed. Unless I don't get my post office box rent paid by the end of the month.

Anyway, I do want to say how much I've appreciated all the kind words from readers over the past five years. It's what kept me going this long, and enjoying it. Thanks, more than words can say. But words are all I can offer.

Council candidates discuss the issues

By TOM KISKEN

PAHOKEE—The marina lease, the city manager type of government and other pending issues were discussed by candidates for the Pahokee City Council at a Lion's Club forum, Tuesday, April 17.

Group One candidates Ronnie Graydon, Ed Lee and Glenn Carrick, along with Group Two candidates Ada Conley and Bill Johnson presented their views at the forum. Group Three hopefuls Jon Mock, incumbent, and Curtis Miners, did not attend the forum.

Carrick, 56, 198 S. Lake Ave. and a council candidate for the second consecutive year, told the Lions that he had the time to really work toward the best interests of the city. Carrick, owner of Carrick's Muffler, added that if elected, he would work closely with city department heads.

Pahokee can not afford a city manager, Carrick said. "The current mayor-council type of govern-

ment can work," he stated.

Saying he was opposed to the leasing of the city marina, Carrick said those involved with the lease should make sure they "don't infringe on the rights of the citizens."

Ed Lee, 51, 2597 Bacom Point Road, said, "I haven't had any experience in a small town like this, but I'm very interested in Pahokee."

A Pahokee resident for three years, Lee told the Lions that he comes from Maryland where he was educational director for a multi-million dollar credit union. Lee has a bachelors degree in marketing and management from the University of Maryland.

"I think I'd like the opportunity very much to meet the people and help them," Lee said.

While he wanted more information on the lake front issue, Lee said he was opposed to the lease for now. "I have some questions," he said.

Lee agreed with Carrick that the city does not need and can not afford a city manager. He also noted that he is opposed to selling liquor on Sundays.

Graydon, council incumbent seeking his second term, cited the council's record over the last two years in asking the support of the Lions.

Council accomplishments, according to Graydon, include: hiring an additional police officer and fireman; expanding the police department's canine unit; purchasing a computer system for city hall; and planning a kitchen for the park. He noted all these and other achievements were accomplished without a millage hike.

Graydon, 43, 140 N. Flame Ave., said the city is facing problems with the sewage system, adding that he would like to be in a position to help correct these concerns.

A city manager could be an asset to Pahokee, Graydon said, adding that he did not agree with

the wording on the manager referendum to be put to the vote, May 8. He said a city manager should be made administrative head of the city, rather than splitting duties.

Bill Johnson, 41, 165 Greenstar Ave., made a brief presentation before the Lions. He said he opposed the marina lease and the addition of a city manager.

Noting that he owns a bar outside the city limits, Johnson declined to say whether he favors selling alcohol within the city on Sundays.

Incumbent council president Ada Conley, 49, 388 Kismet Ave., said, "I just wish to serve the people of the city."

Conley urged all city residents people to vote in the May 8 election. "I'd rather have a big turnout, than be re-elected," she said.

Elected to the council two years ago, Conley is an accountant with Leon Dobrow and Company Inc.

Murder suspect arrested

By TOM KISKEN

PAHOKEE—A murder suspect was arrested after police found a car dripping blood, behind the Consolidated Chemical Company in Pahokee.

JAMES MCINTOSH, arrested as a murder suspect, made a first appearance before County Judge Don Adams, Friday, April 13.

Tot receives community help

PAHOKEE—The over \$2,000 raised by local residents has enabled the family of a little girl, recovering from a near drowning, to purchase needed medical equipment and travel back to their Louisiana home.

Marguerite Douglas, coordinator of the fund raiser, reported 4-year-old Brandy Destin and her family left Pahokee, Wednesday, April 11, after purchasing two life preserving lung machines.

Brandy fell off a house boat in the Rim Canal in February and had been under water for an estimated 40 minutes when rescued by Glades

Substation Palm Beach County Sheriff's officials arrested James McIntosh, 33, on Thursday as a suspect in the murder of Robert Alan Pate, 42, of Miami. McIntosh is believed to be a Dade County resident.

Pahokee Police Department and Glades Substation personnel found Pate's body about a half mile from the chemical company off the extension of Boone Avenue, on Thursday morning, April 12. The preceding day, a car dripping blood was discovered behind the chemical building by company employees.

Glades Substation Detective Bud Backherms would not disclose a motive for the killing, but said a witness told Pahokee police that McIntosh said he killed a man and needed money to get out of town.

Other witnesses at the chemical company, Wednesday said they saw McIntosh walking near the scene where the car was found, Backherms added.

Glades Substation Lt. Charles Lowell said there were other elements which could not be disclosed at the present time. "We believe we have a good case," he said.

According to Backherms, Pate had left Miami Wednesday morning on his way to Lakeland. McIntosh was picked up Thursday at Padgett Island in Pahokee. Backherms said he had made no statement.

Detective Rick Radford is the investigating officer in the case. Lowell noted several Sheriff's deputies and Pahokee police officers played an integral role in the case.

Substation Palm Beach County Sheriff's Department deputies.

Local residents donated over \$2,000 in one week to the Destin family, Douglas reported. The community's quick and decisive response was not at all surprising, said Douglas who began the fund raiser after reading in a newspaper about the family's financial problems.

"That's the type of people we have here in Pahokee," she said. "It's a caring town."

Jim Bennett served as treasurer of the fund raising drive.

Area Easter services slated

BELLE GLADE—Community services will be offered on Good Friday and Easter.

The Belle Glade Kiwanis Club will sponsor the Fifth Annual Community Prayer Breakfast, Friday, April 20, from 6:45 a.m. at Belle Glade Civic Center. \$3 donations will be requested.

Charlie Hainline, an elder in the Coral Ridge Presbyterian Church, will speak at the breakfast. Hainline who ministers throughout Broward County will be working toward Christ.

Belle Glade Mayor Thomas Altman earlier signed a proclamation urging citizens to attend the prayer breakfast.

Local ministers will conduct Good Friday services, Friday, April 20, in the chapel of the Community United Methodist Church. Christ's seven last words from the cross will be the theme

presented by participating ministers.

An Easter sunrise service sponsored by the Belle Glade Ministerial Association will be held at the Belle Glade Marina pavilion, beginning 6 a.m. Sunday, April 21.

"Stolen Away or Risen?" will be the subject of the sermon delivered by Dr. David T. Evans, pastor of the Everglades Presbyterian Church. Music will be led by Truman Hartzog, from the First Baptist Church in Belle Glade.

The Rev. Paul Murray, First Baptist Church of South Bay, the Rev. Charles B. Farrar, St. John's Episcopal Church, the Rev. Joseph San Bibiani, St. Philip Benizi Cathola Church and the Rev. Clifford Davis, Wesleyan Community Holiness Church will also participate.

Evans said all local residents are invited to attend the service.

ALLISON SHIRLEY is named Harvest Queen Friday, April 13, at the Dolly Hand Cultural Arts Center.

2 die in accidents

Two people were killed in two days on Glades highways last week.

Joaquin Martinez, 363 W. Main St. No. 5, Pahokee, died Friday, April 13, after his car collided with a palm tree on SR 715 in Pahokee.

Another person, as of yet unidentified by the Florida Highway Patrol, was killed Thursday, April 12, after a traffic accident about 4 miles north of South Bay on US 27.

Trooper A.J. Mims reported, after Thursday's accident, that the driver was pronounced dead at Glades General Hospital. A passenger in the car was listed in critical condition at St. Mary's Hospital after being transported by helicopter from Glades General.

Efforts to locate relatives who can identify the driver's body are continuing. Trooper Carl Herold is the "homicide investigator."

Warrant issued, man surrenders

BELLE GLADE—A warrant was issued against Larry Walker, 521 S.W. Ave. B Place, after police seized

various drugs and firearms during a search of his apartment.

Eight charges dealing with either possession or possession and intent to sell narcotics, firearms, and lottery paraphernalia were filed against Larry Walker, 521 S.W. Ave. B Place.

Belle Glade Police Detective John Carney said police confiscated an undisclosed amount of marijuana and opium while executing a search warrant at Walker's Avenue B Place apartment, Tuesday.

Police also discovered a handgun and a rifle.

In other police arrests: Donald Ray Turner, 18, of Belle Glade, was charged with disorderly conduct, armed robbery, aggravated battery and grand theft, Saturday, April 14, and placed under a \$10,000 bond.

Carney said Eugene Diaz, Belle Glade, identified Turner as a man who on Tuesday, April 10 struck him over the head with a table leg, while stealing an AM-FM radio.

Jessica Eva Moore, of Belle Glade, was arrested and charged Saturday, April 14 with shooting into the Unisex Community barbershop, 115 S.W. Fifth St. No one was injured in the incident.

Carney said Moore confessed to shooting into the establishment with a .22 calibre revolver, recovered by police, at about 2:30 p.m. Saturday. Apparently, the shooting was the culmination of a domestic problem, he said.

Crime Watch to meet

SOUTH BAY—The South Bay Crime Watch group will hold its monthly meeting, Thursday, April 19, at 7:30 p.m. in City Hall. South Bay Police Chief Roy Humston is scheduled to give a presentation on narcotics at the meeting.

Allison Shirley crowned 1984 Harvest Queen

BELLE GLADE -Allison Shirley, daughter of Mr. and Mrs. William B. Shirley, was crowned Harvest Queen, Friday, April 13.

Miss Shirley, 17 and a junior at Glades Day School, was selected from a field of 16 contestants to represent the Glades at the pageant held in the Dolly Hand Cultural Arts Center.

Speaking with tears in her eyes immediately after the pageant, Miss Shirley said she couldn't believe what had transpired. When judges selected the finalists, she said, she was sure she would be left out.

But when judges made their final choice, Miss Shirley was their selection. "I can't cry because I'll mess up my makeup," she said. As part of her bounty, Miss Shirley will receive a \$500 scholarship.

Lisa Alston was selected first runnerup with Lori Kaye Baker as second runnerup, Rhonda Hudson, third runnerup and Nicki Barnes fourth runnerup.

Angela Maria Harrelle was named Miss Con-

geniality.

The pageant was sponsored by the Belle Glade Lion's Club and the Palm Beach Junior College. Lion's Club President Bret McCormick reported the event, watched by a capacity crowd, went off fairly well.

There was some confusion, McCormick said, which was attributable to the club's inexperience with putting on a pageant. "We've never done anything like that before," he said.

One of the major attractions of the evening was master of ceremonies Bob Lee, of US Sugar Corp. Lee sang, danced and joked his way through the evening, entertaining the crowd from start to finish.

Several former Harvest Queens were introduced at the pageant.

Cathy Lee, event coordinator, was also recognized during the evening. Lee worked with McCormick, Judy Schiele, of Palm Beach Junior College, and Don Fliche, of the Black Gold Committee, in putting the pageant together.

Miamian defends half-marathon title

BELLE GLADE -For the second consecutive year, Mike Szabo, of Boca Raton, claimed top prize in the Black Gold Jubilee half marathon, Saturday, April 14.

Szabo finished the 13-mile journey in one hour, 17 minutes and 41 seconds, a new Black Gold record, pacing a field of 37 runners. Sandy Ashmore, of Fort Lauderdale, was the first woman to cross the half marathon finish line with a time of 1:52:21.

About 44 runners competed in the 3-mile race held along with the half marathon. Rickey Fernandez paced the men with a 16:50 mark. Christie Francis of Clewiston won the women's three-mile event with a 21:16 time.

Szabo, whose winning time this year was about a minute faster than last year's mark, said he felt good from start to finish. Right from the start, Szabo said, he knew he had a chance to repeat as champion and just went out and did his best.

A total of 77 racers competed in the event, the best turnout in the marathon's three-year history.

Linda Erbacher, event coordinator, said she was real pleased with the way things turned out. Several runners said they were impressed with the event, she reported.

Among the runners in the 3-mile event was a delegation raising funds for the First United Methodist Church, in Belle Glade. Pat Masters, Buddy Lampi, Faith Sasser, Becky Bush and Kathi Ligon all ran for the church. The group has raised a total of about \$2,000 to be used to purchase robes for the church choir.

Raiders claim county track title

BELLE GLADE—Glades Central Community High School continued its track onslaught with victories by the boys and girls in the Palm Beach County Championship Meet, held Saturday, April 14 at Twin Lakes High School.

The Raiders boys scored 129.5 points, easily outdistancing second place Suncoast, which tallied 57 points. Pahokee High School scored 36 points to finish fourth in the meet.

The girls, led by event winners Denise Bussey, Evette Lyman and Angela Jones, scored 92 points to take the county crown over runner-up Santa Lucie.

Individual champions David Billing, 100-yard dash; John Ford, 220-yard dash; Joseph Abrams, shot put; and Jimmy Perkins, triple jump, helped push the Raider boys toward the crown.

Also, three Raider relay teams, 440-yard relay, mile medley and mile relay, earned victories.

Coach Willie McDonald said he was pleased with the teams performance, especially in light of absence of key performers Eric McPhoe, Willie Speed and Willie Monroe due to injuries.

Looking toward the conference and district meets, McDonald said the key was to get the team healthy and keep it that way. Asked about the chances of a state title, he said, "We're just taking each meet as they come."

Girl's Coach Jay Seider said his team also looked good in the county meet.

Lyman won the 330 hurdles, Jones won the discus and Bussey earned first place among shot putters. The mile relay team of Lyman, Jones, Garcia Tucker and Leontye Mann also finished first.

Seider said he was confident the Raiders can hold their own in Thursday's conference meet.

With districts starting Thursday, April 26 and regionals coming up after that, Seider said every meet is of growing import to the Raiders.

CDS softball team enters dist.

BELLE GLADE—The Christian Day School girls' softball team begins district play, Tuesday, April 17, against King's Academy.

Coach David Dailey said, "If we play the way we did against

Clewiston we have a good chance at the district." Dailey was referring to the team's 20-18 victory over the Tigers earlier this month.

Monday, April 16, the Crusaders lost to the South fork 4-2, dropping their overall record to 5-8.

The Crusaders jumped on top with a first inning tally, but South Fork bounced back with three in the third and then added an insurance run en route to victory.

"We played well, but didn't hit the ball well enough to win," Dailey said.

Andre McDaniel had a good game for Christian Day with two hits, a walk and one RBI.

BLACK GOLD
Jubilee horseshoe trophy winners included: Mike Underwood, Cherie Crist, John Underwood and Wanda Lowe. The Underwoods won the men's title over Jeff Hansford and Tyrrell. Lowe and Pat Miller won the women's crown, while Crist and Debbie Swartz finished second.

Blue Devil baseball team prepares for dist.

PAHOKEE—The regular season. The

Pahokee High School Tigers dropped baseball team split two games early this week, Tuesday, April 17, and losing to Pope John Paul, 7-0, Monday, April 16.

The split left the Blue Devils with a 6-18 record going into the season finale, Wednesday, April 18, at Glades Day.

The team begins district play, Thursday, April 25 with a game against LaBelle at a neutral site. Coach Gary McEntire said his team has a crack at taking the district title.

Clewiston should provide the toughest competition, McEntire said, adding the Blue Devils pitching is much stronger than when they met Clewiston during the

Baseball Raiders turn the corner

BELLE GLADE—The Glades Central Community High School baseball team could provide a few surprises in the upcoming district tournament, according to their coach.

Leonard Walker said his Raiders have been developing into a very competitive unit. "Ever since mid-season, we've really been showing improvement," he said.

The Raiders, with a 7-10-1 record, have won four of their last six games and are now eyeing the district tourney which begins Tuesday, April 24 in West Palm Beach. Walker said the team has a good chance to be the "sleeper" at the district, an unknown which challenges for the title.

The team has developed into a dangerous running team, Walker said. Lionel Camel, Andre Dilworth and Fred Jones are all potential threats on the basepaths. "When we get on (base), we can and will steal," he said.

Several players, particularly Darrell Sanders and Jorge Cruz, have also developed into good hitters, Walker said.

Sanders and Santos Paez have led the team's pitching staff, Walker noted. Earlier Paez recorded an 11-strikeout performance.

Everyone on the team has contributed, Walker added. Other team members include Maurice Cramer, Marvin Dukes, Obidi Hartwig, Jose Santiago, Oscar Ruiz and Lazero Ruiz.

Last week, the Raiders had a break even week. The team defeated Pahokee, Tuesday, April 10, 8-6, but lost to Atlantic, 5-0, Monday, April 16. The team jumped to an 8-2 lead over Pahokee and then held on to survive a four-run Blue Devil rally in the seventh.

Dilworth led the Raiders with a triple, a double and two RBIs. Camel had three singles and scored three runs for Glades Central.

Fred Bouie had three hits and two RBIs for the Blue Devils, while Barry Jackson contributed a pair of singles.

Against Atlantic in a makeup game, originally postponed Friday, April 13 due to weather, the Raiders found themselves in an early hole. Atlantic jumped to a 5-0 lead.

Walker noted that the Raiders shut their opponents out the rest of the way, but could not manage enough offense. Cruz, in relief of Paez, had a fine game pitching, according to the coach.

1984 Black Gold Jubilee draws to end

It was a weekend to remember

BELLE GLADE—What a weekend it was.

Thousands of people, from the Glades and beyond, celebrated Black Gold Jubilee in Belle Glade, Saturday and Sunday, April 14-15.

Ernie McCroan, chairman of the Black Gold Jubilee Steering Committee, speaking Sunday evening as the jubilee came to a close, said he was very satisfied with the end result.

"Everyone seemed to have a good time. And really that's what we're all here for," McCroan said.

Saturday's sunny weather attracted a big tur-

nout. Not quite as many braved the rain and the wind Sunday, but committee members estimated total attendance neared last year's record mark of 12,000.

One of the biggest draws at the jubilee was the 9.5 ton sugar cube, proclaimed the world's largest by the Black Gold Committee. The cube, built by employees of Sugar Cane Growers of Florida Cooperative, was unveiled at the beginning of the jubilee and kept on display throughout the weekend.

McCroan said the cube would never have taken

form without the hardwork and generosity of the Cane Growers Co-op and John Pitt, cube project expediter.

After the jubilee, the cube was shipped back to the Cane Growers Coop where it was crushed and readied for the refinery.

McCroan also praised Mike Underwood, Belle Glade assistant recreation director, for his part in organizing the jubilee. McCroan noted that Underwood was involved with the jubilee from start to finish and was always ready to help when problems arose.

"We couldn't put on the jubilee without Mike Underwood," McCroan said.

McCroan said the entire Black Gold Committee deserved recognition for their work in planning the jubilee. Charida Sizemore, booklet coordinator, in particular did an exceptional job, he added.

The police department, led by Inspector Mike Miller, also did a "super job" of keeping law and order at the jubilee and directing traffic, McCroan said.

A different perspective on the fest

AZIZ VISRAM and his wife Saroj Visram, guests from Bombay, India participating in an international rotary exchange, pose in front of the world's largest sugar cube.

BELLE GLADE—Among the thousands who visited the Black Gold Jubilee this weekend was a delegation from Bombay, India.

As part of a Rotary International exchange program, six guests from Bombay have been touring Southern Florida and the Bahamas during the last month. Last weekend, their busy schedule brought them to Belle Glade.

Dr. Aziz Visram, an attorney; his wife Saroj Visram, also an attorney; Mirupa Panda, business entrepreneur; Meera Alreja, management consultant; Ratna Kakkar, banker and Neela Karnik, college professor, spent the weekend visiting the Glades and its people.

Visram, sponsor of the group, said "We came here to see how people in America live."

Black Gold is an impressive event, Visram said. The recognition the town gets through the jubilee is good for the community, he added. Bombay communities have similar celebrations, he commented.

Monday, the Indians toured area sugar mills. Visram noted that he was very interested in seeing the cane processed, as sugar is also a big industry in Bombay.

Monday afternoon, the Indian group left for Orlando where they will visit Disney World and the Epcott Center. The group will head back to Bombay in two weeks.

Visram had only words of praise for Belle Glade and the United States, in general. "It's one of the best places in the world... so clean and open," he said.

Americans seem to be very warm, caring individuals, Visram said, adding that he thought the group was learning much about Americans. Continued on 2

Black Gold Jubilee

Continued from 1

The police department, led by Inspector Mike Miller, also did a "super job" of keeping law and order at the jubilee and directing traffic, McCroan said.

The jubilee had actually been going strong for two weeks with sports tournaments, the Little Mr. and Miss contest and the Harvest Queen Pageant. Black Gold weekend began Saturday morning with the half marathon and 3-mile race. (See results elsewhere.)

The Black Gold spirit began to grow with the beginning of the jubilee parade, Saturday morning. Spectators lined Main Street to watch about 70 units of some type march and drive by. Carol Ann Haller, parade coordinator, credited the Black Gold Committee, Barbara Milligan, Andrew Newsome and the Rev. Bob Carlson with making the event a success.

McCroan noted that Wayne Boynton, who

entered three floats and won two awards, put a great amount of work into his floats and deserves credit for setting "the tone of the parade."

Award winning entries in the parade were: Glades Day School Marching Band, best marching unit; Pat's Classy Lassies, best youth marching unit; 40 & 8, best color guard; Boynton Farms, best theme float and best business float.

Belle Glade Elementary School, best school float; First Baptist Church, best organizational float; Belle Glade Chamber of Commerce, prettiest float; Okeechobee Chamber of Commerce, best-out-of-town float; Palm Beach County Sheriff's Department Mounted Patrol, most entertaining float.

Haller noted that Black Gold honorary ribbons will be delivered to all parade entries.

After the parade, the crowd migrated to the Belle Glade marina for two days worth of food,

music, socializing and just good old fun.

Saturday's activities were highlighted by a slate full of kids' events, ranging from pole climbing to just plain crawling (for the younger ones who can't quite climb yet).

Food was provided by the Belle Glade Chamber of Commerce in form of a catfish dinner. The chamber also served a barbecued chicken dinner on Sunday.

Chamber President Israel Baez Jr. credited the chamber's pork committee for doing much of the work in preparing the dinners.

Baez said the dinners didn't quite reach expectations, but were still fairly successful. Estimates on profits are not yet available, he said.

Saturday's action culminated with the Black Gold Committee's dance held at the Belle Glade Elk's Club. Baez, dance coordinator, said the Black Gold Committee broke even at the dance.

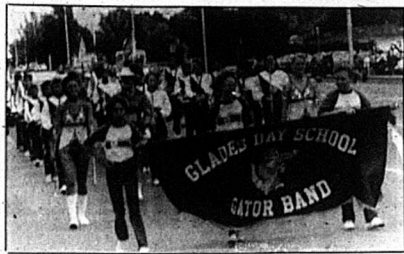

Attendance at the dance was pretty good, he said, adding that everyone seemed to have a good time.

Sunday's threatening weather couldn't put a damper on the jubilee. While attendance didn't quite match Saturday's levels, the marina was still the place to be in Belle Glade.

Again the kids were kept busy racing turtles and big wheels among numerous events.

Local water skiers graced the scene Sunday afternoon with a ski show. Although the wind and the rain hampered the skiers somewhat, the show went on as planned to the delight of the crowd.

Sunday night, the jubilee drew to close with a bang (several), as Pyrotechnic International, of Sebring, put on a sky lightening fire works display.

THE GLADES Day School band won the best marching band award at the parade.

Kids events highlight Black Gold Jubilee

during the tour. The Indians live with host families throughout their stay.

Probably, the biggest difference between Bombay and the United States was the level of affluence, Visram said. Bombay is a very poor country, he added.

Next year, a group of Americans will tour India through the exchange program. Visram said that through the program people of different cultures and backgrounds are given the opportunity to meet and exchange ideas and information. "We study the different ways of living," he said.

CARP director speaks to Glades Concerned Parents

BELLE GLADE — Virginia Bullock, a physiologist and director of CARP (Comprehensive Alcohol Rehabilitation Program) in Belle Glade, spoke to the Glades Concerned Parents group Monday, April 9.

President Keith Whitlock opened the meeting by explaining to the parents the goals of the Glades organization.

Self-help course available for arthritis sufferers

BELLE GLADE — A self-help course for people with arthritis will be taught beginning at 7 p.m., Thursday, April 12 at St. Peter's Lutheran Church, 125 East Canal Street, North, Belle Glade.

It is sponsored by the Arthritis Foundation and will be an ongoing program consisting of two-hour classes each week for six weeks. Applications can be picked up at the Bank of Pahokee in Pahokee or Belle Glade.

"By learning to minimize pain and cope with their arthritis, people taking the self help course are finding a way to lead happier, more productive lives," according to Joy Haywood of the Arthritis Foundation's

Florida Chapter. The self help course revolves around three basic concepts, according to Haywood: There is no single correct treatment of arthritis, because each person with the disease is different; those with

arthritis can do a variety of things to feel better; and with proper education, a person can determine which self management techniques are most successful for him or her.

According to Haywood, studies of

people who have completed the course show a significant reduction in pain, as well as an increase in frequency of exercise and relaxation and in overall knowledge regarding arthritis.

She said that at CARP, (located behind the old Belle Glade Police Department) they see very few pure alcoholics. "Under the

age of 40, we find that it is almost always a combination of alcohol and drugs," she said.

One parent asked why kids take alcohol. Bullock said that peer pressure had a lot to do with it as well as curiosity, boredom and pleasure.

She told the parents that educating their children is one of the best things they could do. "Improving their self-image is important too," she told them, "and showing them a lot of love," she added.

The next meeting of the Glades Concerned Parents will be at 7:30 p.m., May 14 in Room 124, Palm Beach Junior College, Glades campus.

Student receives language award

SOUTH BAY — Verita M. Moore, a junior at Glades Central Community High School, has been named a 1984 United States National Award winner in the category of foreign language.

She is the daughter of Arthur and Pearl Moore of South Bay and the granddaughter of Coley and Mattie

Betha, also of South Bay. She was nominated for the award by

Card of thanks

YOUR HOME MAY NEED A LITTLE H.E.L.P.

HOME ENERGY LOSS PREVENTION. We'll get the work done for you. And pay half the cost.

Most homes need H.E.L.P. Because 9 out of 10 homes leak energy—around windows, doors, air conditioning ducts and other places.

That's why so many homeowners have called for H.E.L.P. in the last few weeks.

H.E.L.P. with caulking and weatherstripping. H.E.L.P. with leaking air conditioning ducts. H.E.L.P. with low-flow showerheads, water heater blankets,

reflective window film, wall outlet insulation gaskets, and energy-saving inserts for jalousie windows.

You won't just save on energy costs. FPL will pay you up to \$75, or one-half the cost (most H.E.L.P. packages average less than \$100).

We'll even arrange to get the work done for you. You won't have to lift a finger, except to call us.

So get a little H.E.L.P. for your home. From FPL.

JEANNE OLSON with the Florida Sugar Cane League presents first place winner Virginia Narito a check for winning the Black Gold Jubilee Poster Contest in her division. Virginia is a kindergarten student at Pahokee Elementary.

THE POSTER CONTEST WINNERS in the Black Gold Jubilee Poster Contest were presented a \$25 check by Jeanne Olson, representative of the Florida Sugar Cane League. She is shown presenting the check to Glade Day Elementary School fourth grade student Oscar Herrera. He won first place in his division.

Sorority enjoys Chinese dinner

Xi Alpha Mu members traveled to West Palm Beach on Saturday, March 17, to the home of Dorothy and Gordon Hillier for the March social of the chapter.

The weather and the moon both cooperated

in making the patio and pool area a delightful setting for the many sumptuous dips the hostesses had prepared. These same hostesses, Dorothy, Charlotte Walston and Florence Keen, showed no mercy for the "main

event," a Chinese dinner, was equally delicious. Attending were Florence and Manning Keen, Ethel Johnson, Elsie Sims, Charlotte Walston, Ada and Coleman Conley, Irene and Bruce Bowe, Kathryn Cunningham, Dot and Vance Denton, Kay and Pope Sears, Eva and Melvin Spooner, Beth Wilkinson, Clark and Ellis Wilkinson, Judy and Ted Gallo, Janet and Ralph Johnson, Georgia and Julius Moon, Betty and Boyd Spence, and Doris and C.R. Wetherington.

Guests of the chapter were Wilma Alley who is rejoining the group, and Allie Manning and Audrey Talton, visitors of Elsie Sims. At the March 1

meeting, held at the home of Beth Wilkinson, Janet Johnson, Betty Spence and Doris Wetherington were initiated into the chapter while Judy Gallo and Dot Denton received the Ritual of Jewels degree.

In other business transacted, Founder's Day was set for Monday, April 20, with Judy Gallo and Charlotte Walston to work out details. The chapter will operate the popcorn stand for the Spring Fever Revue at the Prince Theater on May 5th. Plans for future service projects were discussed. Florence Keen, Catherine Kennedy and Tina Elliott will work on these plans.

Hospital auxiliary meets

The Auxiliary of Everglades Memorial Hospital met in the Doctors Lounge Tuesday, March 27. The meeting was called to order by Lillmae Lamp with 21 members answering the roll call. The devotional and the prayer were given by Tommie Lee DuBose and Addie Thompson respectively.

After the business meeting, an orientation program was given for new members. Billie Shirley and Margaret Fanjul spoke on the rules, ethics, and attitudes that all members of the auxiliary should strive to follow. Especially emphasized was the confidentiality of all information concerning patients.

Announcement was made of the party for retiring administrator, Frank S. Steinberger, Friday, March 30. After adjournment, refreshments were served.

Poster contest winners announced

BELLE GLADE—The winners in the Black Gold Jubilee poster contest were awarded their cash prizes and trophies, Wednesday, April 11. The contest was sponsored by the Florida Sugar Cane League and the Black Gold Jubilee Committee. Belle Glade Elementary, Glades Day, Pahokee, Rosendahl, St. Peter's Lutheran, Christian Day, Glade View and Gove Elementary students participated in the contest.

Jeanne Olson, representative for the Florida Sugar Cane League, presented the

checks to the winners. First place winner in the kindergarten through second grade category was kindergarten student Virginia Narito; second place, Eddy Pedraza; third place, Jai Salvatore and honorable mention, Stevie Waters. In the category from third through fifth grade, fourth grade student Oscar Herrera took first place; Erika Jernigan, second; Lady Leal, third; and Joey Groover, honorable mention.

The prize-winning posters were on display at the Belle Glade Municipal Library.

Scenes from Belle Glades' 1984

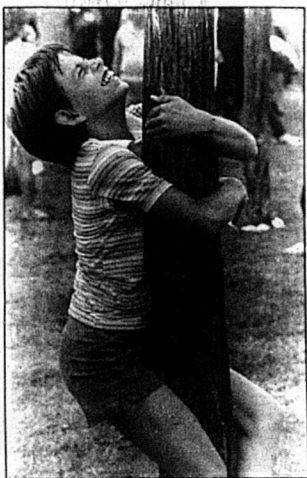

ITS REAL ALRIGHT. Kids had to prove to themselves throughout the weekend that the world's largest sugar cube wasn't a fake.

PYROTECHNIC INTERNATIONALE, of Sebring, put on a spectacular fireworks display Sunday night.

LACEY SPOONER, daughter of Gail and David Spooner, enjoys the pet show, Friday evening.

All-out effort in the greased pole climb.

DANNY CROWE was the winning pie eater among four and five year olds.

THE PALM BEACH COUNTY Sheriff's mounted patrol was selected most entertaining entry at the Black Gold Jubilee parade.

SHRINERS foot their whistle.

PET show winners were: Jena Salvatore and Mikie, best showdog; Wayne Corbin and Moe and Joe gerbils, smallest pet; Rene Mooney and Dickie, funniest pet; L.C. Coghill and Kid Kat, best show cat; and Stephanie Stein and Matilda, most unusual pet.

CLOWNS ON SKIS made a big splash during the water show.

BELLE GLADE ELEMENTARY School with their float, "Empire of the Ants," won best school float honors.

Black Gold Jubilee...

CRAWL winners were: Richard Allen Funderburk II, son of Richard and Judy Funderburk, first place; Christopher Adam Nehls, son of Jerry and Penny Nehls, third place; and Chelsie Sims, daughter of Mitchell and Janie Sims, second place.

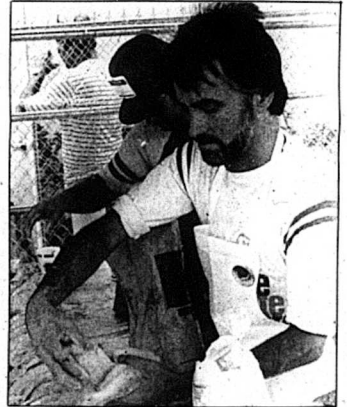

BOOTHs at the Jubilee were filled with types of unusual goods. Helen Sturdivant sells knitted hats for the Association for Retarded Citizens.

MIKE SAUNDERS displays the corn he just boiled as part of the catfish dinner served by the Chamber of Commerce on Saturday.

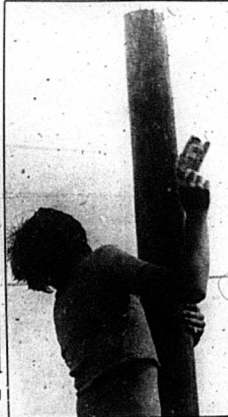

IT WAS RAINING HAY when the kids searched for hidden coins during the hay scramble.

MEMBERS of the Chamber of Commerce Pork Committee worked all through the Jubilee, preparing catfish on Saturday and barbecued chicken on Sunday.

THE BELLE GLADE CHAMBER OF COMMERCE'S float was named prettiest entry.

SHANE McNEILL, 12, grabbed the \$20 atop the greased pole to win Saturday's event.

AND THEY'RE OFF. Sack racers begin the journey toward the finish line.

THE BILLY FIELDS Confederates marching unit gave the crowd a surprise when they showed their muskets were not just on display.

CARS can't talk, can they? Herbie, the Palm Beach County Sheriff's Department vehicle, can as kids found out throughout the Jubilee. Actually, Herbie's "mouth" was operated by remote control by Detective Steve Haller.

LAKE SHORE MIDDLE SCHOOL members of the Future Business Leaders of America elected officers recently. Shown front row from left is President Merrick Williams; Vice President Tracy Butler; Secretary Atashia Brown; Treasurer Annie Roundtree. Second row: Kim Woods, Stacey Williams, Theresa Clark and Raquel Baker. Third row: Principal Ed Foley, Jamisena Brown, Sabrena Everett, Floyd Jackson and Advisor Gail Davis.

FBLA students attend state conference

Several students from Lake Shore Middle School's Future Business Leaders of America Club attended the State Leadership Conference, April 8-9 in Orlando. The students and their advisor stayed at the Sheraton Twin Towers Hotel, Orlando.

While at the conference, the students attended workshops on parliamentary procedures, dressing for success, achieving your goals, and many more. As a special attraction, the students attended a fashion show, an end of the conference dance, and toured the city of Orlando.

In addition, the students were honored at the awards assembly. They receive a plaque as The Novice Chapter of the Year. Students attending were Merrick Williams, President; Atashia Brown, secretary; Patrice Culler and Armelinda Romera, members, and Gail Davis, advisor.

Other club members are Tracey Butler, Stacey Butler, Jamisena Brown, Frank Blanding, Latrena Bass, Claude Cooby, Patience Davis, Sabrina Everett, Lacelle Humphries, Floyd Jackson, Fidel Monjarez, Clem Neely,

Kevin Oliver, Torie Owens, Ronald Peterson, Christopher Rhodes, Annie Roundtree, Melinda Wiles, Laureen Waiters, Raquel Baker, Leticia Monjarez, Rhonda Clark, Joe Phinazee, Gabriella Small, Teresa Clark, Sharolyn Crittenden, Stacey K. Williams, Diana Lincoln, Marianna Lincoln, Mario Alanis, Grace Trevino, Sonya Espinosa, Malcolm Foster, Zoreayn Johnson, Patrick Plummer and Kim Woods.

Some of the students may go to Atlanta, Ga., July 1-4 for the National Future Business Leaders of America Conference.

April declared cancer control

Governor Bob Graham has signed a proclamation designating April as Cancer Control Month in support of the American Cancer Society's annual educational and fund-raising campaign.

A leaflet offering a quick test on risk assessment for lung, colon and rectum cancers will be given to all persons. This test also contains sections that offer explanations and life-saving measures to help protect against these com-

mon types of cancer. The society estimates that about 52,500 new cancer cases will develop in Florida in 1984, but adds that many of these will be successfully treated if detected early. At least 15 types

of cancer are now reported by the society as being curable in nearly all instances, and close to three million Americans throughout the nation have been cured of cancer.

'STEP' teaches effective parenting

Improving parent-child relationships will be the focus of a series of discussion sessions beginning April 18 at the Glades Office Building. The program is being sponsored by the Palm Beach County Youth Service Bureau.

The discussion will be based on Systematic Training for Effective Parenting (STEP), the most widely used parenting education program in the country.

More than one million people throughout the United States, Canada and other countries have participated in STEP discussion groups are used the accompanying parent's handbook since America

Guidance Services (AGS) of Pines, Minnesota, introduced the program in 1976.

STEP encourages mutual respect between parents and child, increased cooperation, more effective communication and a more responsible, self-reliant attitude among children. Locally, parents from the last group said the program gave them the tool needed to be more effective parents, changing their children's behavior and attitude.

The parents who participated in STEP groups said they found the program beneficial

for many reasons. High on the list was the opportunity it provided for them to share experiences and learn from others. Some STEP leaders spoke of networks of parents to "learn new ways to handle persistent problems," "to get in touch with their feelings and their child's," and to overcome a sense of guilt and develop a sense of confidence and self-esteem. STEP was also credited for improving participants' relationship with other people, including husbands and wives, employers and employees.

Card of thanks

GETTING blood samples isn't suppose to be fun for the victims, but this little girl seems to be having a good time. The Eldorado Club in conjunction with the Visiting Nurses Association held sickle cell anemia screening at East Coast Migrant Headstart on Friday, April 30. Pictured at the right is Sherrian Hudson, of the Visiting Nurses Association. Gloria Blakely and Vivian Byrd of the Eldorado Club organized the screening with the help of Karrie Wareham, of the headstart program.

Lt. Courtney graduates

Second Lt. Courtney H. Barnes, son of Gail K. Jewell of 4586 Roswell Road, Atlanta, and Dudley H. Barnes of 832 S.E. Fourth St., Belle Glade, Fla., has graduated from the U.S. Air Force administrative management officer course at Keeler Air Force Base, Miss. During the course, students were taught to manage and direct administrative policies and procedures at a group level or above. Barnes is scheduled to graduate with the 2849th Support Squadron at Hill Air Force Base, Utah. He is a 1982 city of Georgia, graduate of the University of Athens.
